WORKING DRAFT

MUZAK TRANSCRIPTIONS

By

Charles Garrod, Dave Kressley and Ken Crawford

Published June, 1995

We thank the following for their help in this project:
Rod Baum, Fred Williams, Len Kunstadt and Record Research.

We call this a working draft since it is about 90% complete. We have exhausted all our sources to complete it and we feel by putting it out as a working draft, we have a better chance of filling in some of the holes. If you can help, please contact us through the address below.
